NEW YORK SUGAR.

NEW YORK, Jan. 72.—The early raw sugar market was firmer and while no business was confirmed. It was rumored hat a local refiner paid 25c for Cubas, cost and freight, equal to 5.86c for constitued, an advance or 13-16c ever last wrevious sales.

The firmer ruling of the sbot market led to renewed covering and scattered outside buying in raw sugar futures, with prices at midday 6 to 7 points net higher.

NEW YORK, Jan. 23.—Johns-Man-ville Inc., the largest producers of as-bestos products in the world, have just notified employes whose salaries were reduced 10 per cent on October 1, 1921, that in order to encourage them and help them put forth greater effort, the salaries paid them prior to October 1 would be reinstated as of January 1. Increased efficiency, they believe will absorb the difference and believe, will absorb the difference and in that way will not increase the cost in that way will not increase the cost of the Johns-Manville products, The announcement was made today by the board of directors, composed in part of branch managers from of-fices in all sections of the country, meeting here to lay plans for the com-

meeting here to lay plans for the coming year.

"This action has been taken," says
the statement authorized by the
board, "in the belief that the tide of
business conditions has changed, and
is turning for the better. Even in the
face of lower prices, it is our belief
that salary increases at this time will
stimulate personnel to harder work
and more economical production and
distribution and thus bring about a
more speedy improvement of business."

#### DEPOSITORS HOPE TO REORGANIZE BANK

ST. LOUIS, Mo., Jan. 23 -A plan to reorganize the Night and Day bank, which closed here January 6, after the cashier, O. A. Meininger, disappeared and a shortage of \$754,000 was discovered, was announced here today following its adoption Sunday night in a meeting of depositors. The plan provides for the floatation of \$250,000 of stock to the present de-poritors and was arranged by J. G.
